Mandatory Routing of Invoices through TReDS

Pursuant to the **Government of India Notification S.O. 3507(E) dated 30.06.2026** issued under the **MSMED Act, 2006**, and **New Section 15A introduced via the Micro, Small and Medium Enterprises Development (Amendment) Act, 2026**, all invoices pertaining to Micro, Small and Medium vendors shall be routed through an **RBI-authorised Trade Receivables Discounting System (TReDS) platform** for settlement by every Central Public Sector Enterprise.

MSME vendors who are not yet registered on any TReDS platform are requested to register themselves with any one (or more) RBI-authorised TReDS platform(s) to enable seamless processing of payments through TReDS. Availing invoice discounting remains optional and is at the discretion of the MSME vendor.
